#### Notes and Guidance - IR1263

#### (1) General

- (a) This form is for the use of a request made under section 88B of the Inland Revenue Ordinance (Cap. 112) for a notice of no objection to a defunct private company being deregistered ["Notice of No Objection"].
- (b) If you are a director, you need not submit any further document. If you are a member or nominated person, you are required to submit an authorization signed by a director of the company. [Note: If the nominated person is a practicing professional (e.g. accountancy / secretarial or solicitor firm), you are not required to submit any evidence of authorization unless called upon to do so.]
- (c) Your request for a "Notice of No Objection" will not be processed if:
  - (i) You have not properly completed this form;
  - (ii) The fee payable in respect of this request is not attached to this form [see note 2(h)].

#### (2) Guidance for completion

- (a) All items on this form must be completed.
- (b) The Companies Registry Registration No. is the number stated on the "Certificate of Incorporation" issued by the Companies Registry.
- (c) As the Company anticipates carrying on business in the future, the Company has potential liabilities to tax. The Commissioner is not in a position to issue "Notice of No Objection".
- (d) If the Company has outstanding tax liabilities, the Company should settle the same before submitting this request. If you have doubts on the amount charged, please contact the assessing section handling the company's file for clarification first. The Company must also settle the registration fees and levies payable in respect of all business registration certificates or branch registration certificates with commencement date falling before the date of receipt of this form by this Department. For certificates with commencement date falling on or after the date of receipt of this form by this Department, this Department will consider holding over payment of such fees and levies. However, if the Company's deregistration is not completed, for example, the Company subsequently withdraws its application for a "Notice of No Objection", or its application for deregistration is not approved by the Companies Registry, the Company will then be required to pay the relevant registration fees and levies held over.
- (e) Even if the Company has never carried on business, has ceased business for some years or you believe that the Company has no tax liabilities, the Company is still obliged to complete and submit all returns issued by this Department.
- (f) It is necessary to give a direct reply to enquiries raised by the various divisions of this Department. Please therefore give reply to all enquiries not yet answered.
- (g) If there are unsettled objections or appeals, please contact the relevant assessing section or the Appeals Section for settlement before submitting this request.
- (h) Please write the Company's Business Registration Number and the contact telephone number at the back of the cheque. A receipted demand note which serves as an acknowledgement of your request will be issued within 14 days. If you wish to obtain a receipt in person upon submission of this form, please submit the properly completed form to the Deregistration Section at 11/F Revenue Tower. A demand note will be issued on the next day for payment. The Department will process your request only upon receipt of the relevant fee.
